

Ride 3 – Chipperfield & Beyond

A pleasant round of 1.5 to 2 hours characterised by quiet country lanes, pretty cottages and woodland and longer views.

I have chosen to start and end at the Plough Inn, Belsize, where parking for lorries and trailers should be available by prior arrangement, and where the CVBA holds its annual Christmas Ride.

From the Plough bear right and immediately cross left into Plough Lane.

2000m – turn left onto the JSTT 'Memorial Track'. As the track bears left you can view our memorial to local horses – past and present.

800m – turn left and cross right onto the Little Westwood Licensed Track.

Note: You must be a CVBA member and have purchased a disk to use this track.

If you do not hold a disk turn right from the Memorial Track and – after 400m – turn left into Old House Lane – see sketch map.

1000m – turn left towards Jeffrey's Farm

1000m – turn right – thus avoiding 'the Narrows' road

500m – cross road/keep left through Chipperfield Woods

2000m – keep left

500m – You are back at the Plough to enjoy some refreshment as a 'thank-you' for parking!
